Partakers June 2013 Newsletter

Welcome!

Hello and welcome to the June 2013 Partakers and **WOWChurch** Newsletter! ...or as Dave would say, 'G'day and welcome to Partakers!'

I'm Samantha, a Christian based on the Hampshire/Sussex borders with a passion for the Gospel. We want to give you an update on what has been happening, is happening and will hopefully happen! **We want to hear from you, this is YOUR newsletter so do get in touch with your prayer requests and stories to inspire others. Email**

sammy@partakers.co.uk with your stories of faith – they can be anonymous too!

We are grateful as always to God for all that He does and for His steering as we seek to move with the guidance of the Spirit!

For those that like numbers, we have now had over 700,000 unique visitors and about 4 million downloads of the resources! On the site as a whole, we have had 100 people contribute and at **WOWChurch** on a Thursday, over 30 people from around the world have helped out with their voice. Thanks be to God! It is for His glory, we seek to help the world, one person at a time, to be a Partaker of Jesus Christ and grow in knowledge of Him.

Where you can always find us.

Facebook continues to be a place where people are in need of help, and on Twitter we continue to spread the Good News and engage actively with like-minded people, so come along and join in!

You can pray for Pastor Gulzar Gill of Jesus is the Way (Part of Eternal Life Ministries of Pakistan)... The building where their church meets has very little roof so whenever it rains, the congregation of about 150 people get wet and often they have to stop! I have also been invited to go there as well as to people I know in South India.

WOWChurch continues on a Thursday from 1pm to 2pm including a service of about 20 minutes... It was great to take it out to St Leonard's for Pat a couple of times! We hope to do more of that in future – transplantable and transportable church – just need a blank wall or TV... That's part of what we will be doing when in the US when there! We can take it into hospitals, prisons or people's homes, just as we have done and continue to do here. Also looking at a Wednesday WOWChurch in Boscombe/Bournemouth/Poole area.

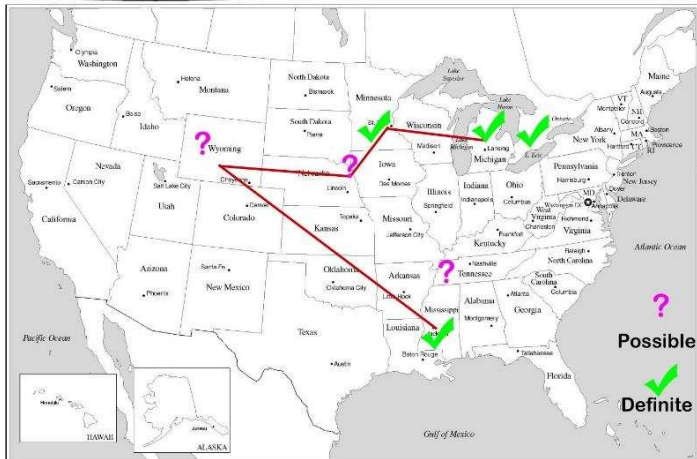

This is just a brief update, but enough for you to pray about! **Don't forget** to email anything to be included here to:
